VMSIHE Connect

Dear Alumni,

Greetings from VMSIHE!

I am delighted to connect with all of you, the esteemed graduates of our Institute. As the Faculty Alumni Coordinator, I feel proud to hear about the remarkable impact that each of you has had on the hospitality industry and beyond.

Our alumni are the shining examples of our institution's commitment to excellence, creativity, and hospitality. Your accomplishments stand as a testament to the education and values instilled during your time with us. Whether you graduated recently or sometime ago, your journey continues to inspire current students and faculty alike.

Beyond your individual successes, many of you have generously given back to our institution through contribution in the alumni funds, mentorship, industry collaborations and being a part of our alumni series. Your ongoing engagement enriches the experiences of current students and strengthens the bond between alumni and our alma mater.

In the upcoming months, we are excited to introduce several initiatives aimed at fostering stronger alumni relationships and providing opportunities for networking, professional growth, and social interaction. We invite you to join us in these endeavours and contribute to building a vibrant alumni network that continues to thrive.

Faculty Alumni Co-ordinator

I hope this message finds you well, both personally and professionally.

Nostalgia 2024 (our annual alumni meet) will be held in December 2024, and we eagerly anticipate your presence to join in the reunion.

I would like to update you on campus life at VMSIHE:

- A new Chulha (traditional) kitchen has been established near the Amphitheatre area.
- Creams restaurant has undergone expansion.
- We have signed new MOUs with DCEL Exams (OET), Marriott Hotels India Pvt Ltd., V. M. Salgaocar College of Law (VMSCL), Goa Management Association (GMA), MIT World Peace University Pune, Invicta Eduadvise Consultants Private Limited, Egas Moniz, and the Goa Chambers of Commerce & Industry (GCCCI).
- The cafeteria layout has been redesigned.
- Currently, 65 of our students are in Portugal for their internships.

During my visit to Switzerland in April, I had the pleasure of meeting our alumni Ethan, Reez, Renwick, Juzelle, and Chiara. In Portugal, I had the opportunity to meet Joanna Luis, Jose Allan, Mariah Christabel, Raveen, and Johan.

We aim to establish more alumni chapters in the Middle East/UAE, Portugal, the US, etc. If any of you are interested in taking on this responsibility, please contact our faculty alumni coordinator, Ms. Alethea Baracho.

Throughout the last academic year, many of our alumni visited the institute. If any of you do visit Goa, please come and visit.

We are currently in the process of applying for our first cycle of NAAC accreditation, and we are hopeful for a positive rating that will benefit both current and former students alike.

I take this opportunity to extend my best wishes to all of you.

Prof. I.S. Mirza
Director & Principal
